A Tile Design

Drawing and Shading

Things you need:

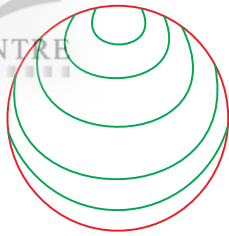

1

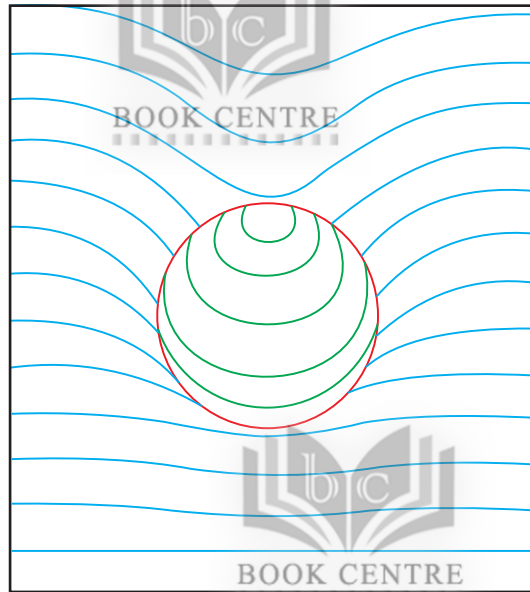

Draw a circle.

2

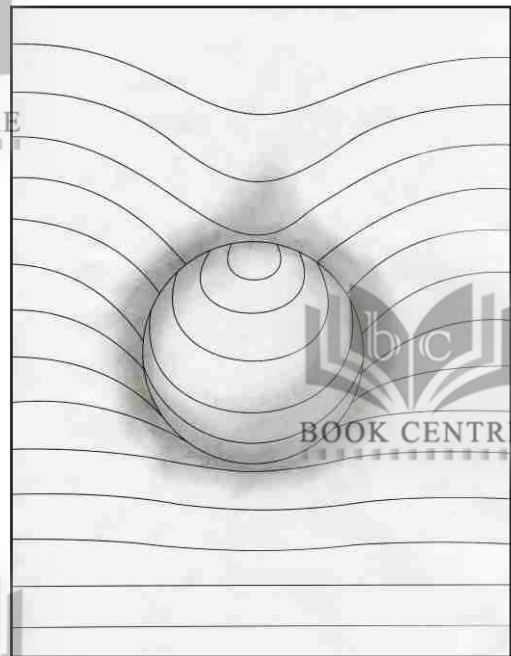

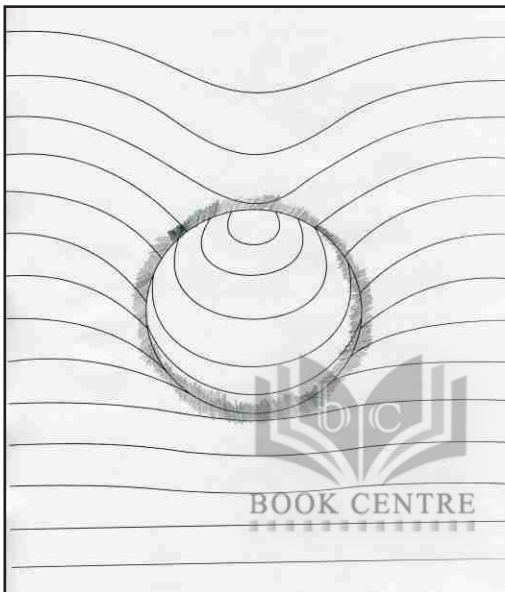

Draw lines as shown.

3

Draw its ground on which it is lying.

4

The curved lines will give an effect of as the ball has fallen on a sheet of cloth. Add shade as shown.

A King's Castle

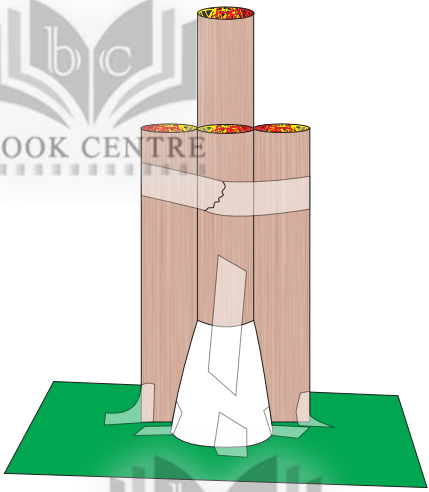

Paper Folding and Pasting Things you need:

1

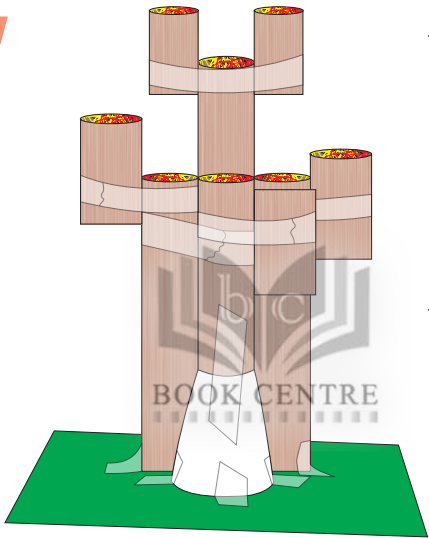

Take a piece of cardboard to make the base of our castle. Stick a paper glass upside down. Join a cardboard tube on top of it with a masking tape.

2

Join three other tubes together as shown here. You can use different size of tubes. Use the tubes of used tissue rolls.

3

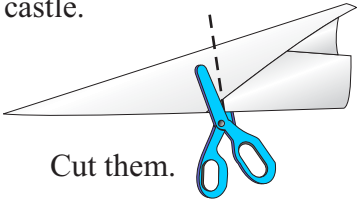

Join four smaller tubes to your model.

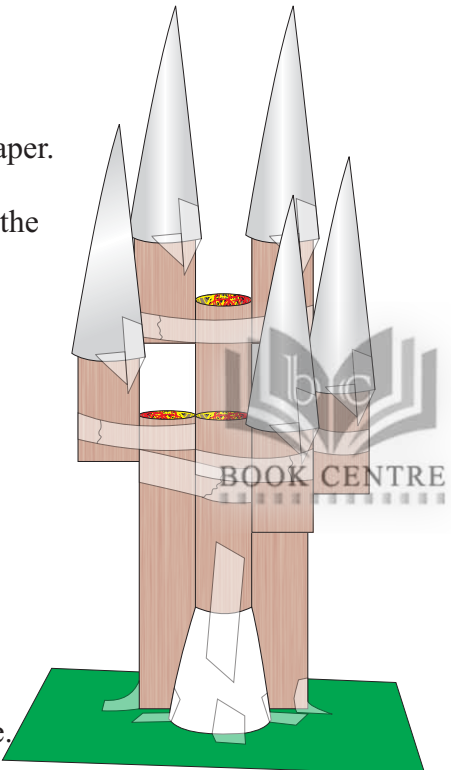

4

Take some pieces of white paper. Roll them to make cones. These will serve as spires of the castle.

Cut them.

5 Stick the spires to your castle.

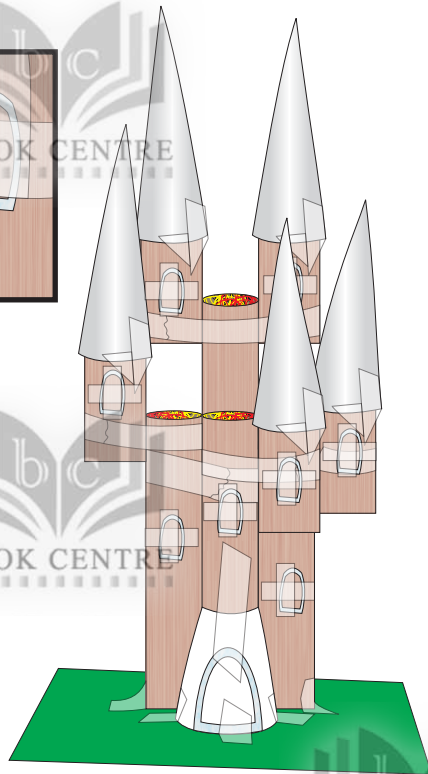

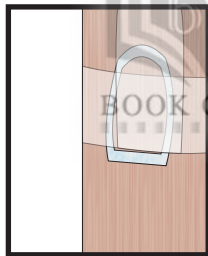

A King's Castle

Paper Folding and Pasting

Things you need:

6

Roll some pieces of tissue paper in tube shape. Bend them to make entrance and windows. Stick them with the help of masking tape as shown here.

Cover the whole model with White Glue. Now paste tissue paper on it. Let it dry.

7

You can colour it with colours of your choice. You can use golden glitter glue for spires. You can even add flags on top of the castle.

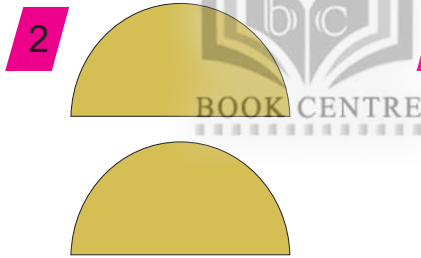

A Treasure Chest

Pasting and Colouring

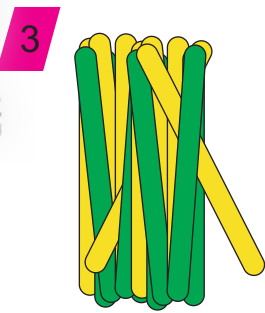

Things you need:     

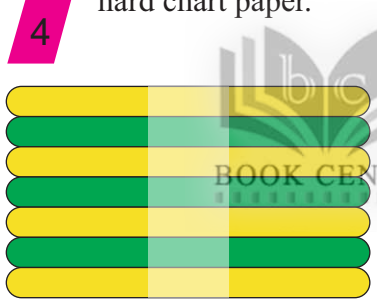

1 Cut out 2 squares of 3x3 inches of a corrugated sheet. You can also use a hard chart paper.

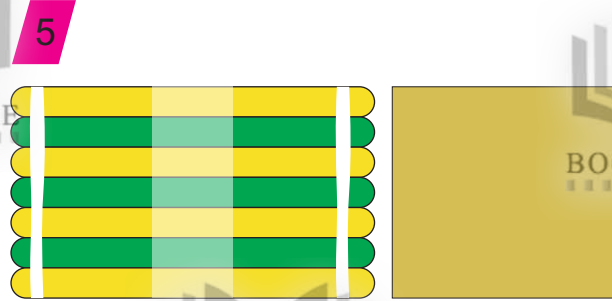

2 Cut a circle of 3 inch radius. Now cut it in half. You have two semi circles.

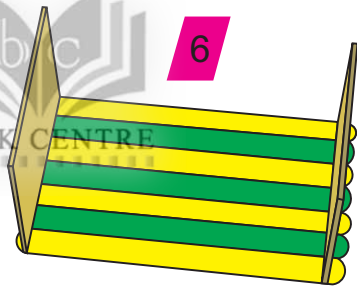

3 Take some ice cream sticks and colour them in different colours.

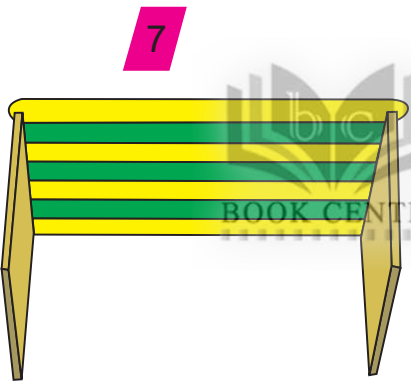

4 Join ice cream sticks with the help of scotch tape. Width of the model or width of the card board sheet is same. i.e. 3 inch.

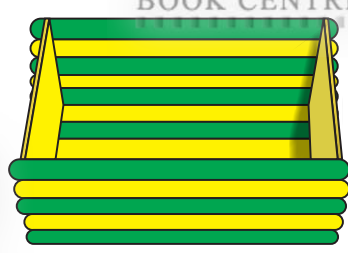

5 Apply some glue on ice cream sticks and paste card board sheet. To make its wall.

6 Let it dry and remove its scotch tape. It will look like this.

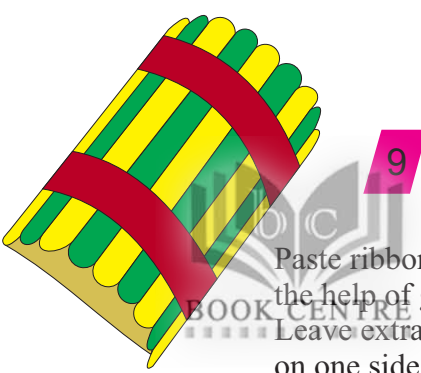

7 Paste more ice cream sticks along the wall with the help of glue to make a box.

It will look like this.

8 Apply some glue on both semi circles and paste some ice cream sticks to make its cover.

9 Paste ribbon with the help of glue. Leave extra ribbon on one side. It will look like this.

A Treasure Chest

Pasting and Colouring

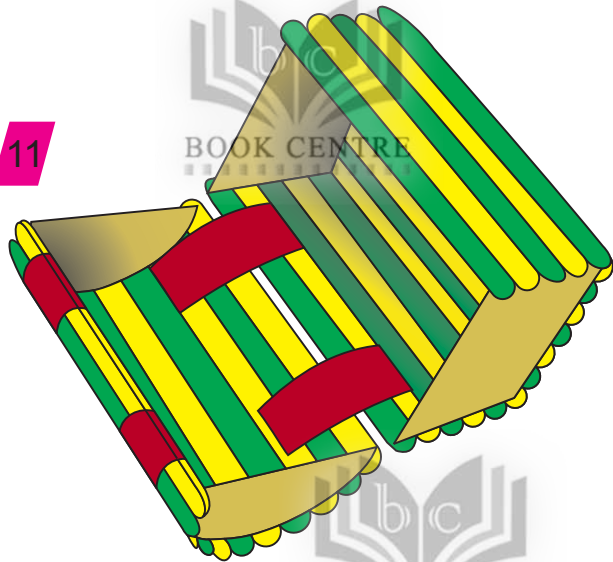

Things you need:     

10

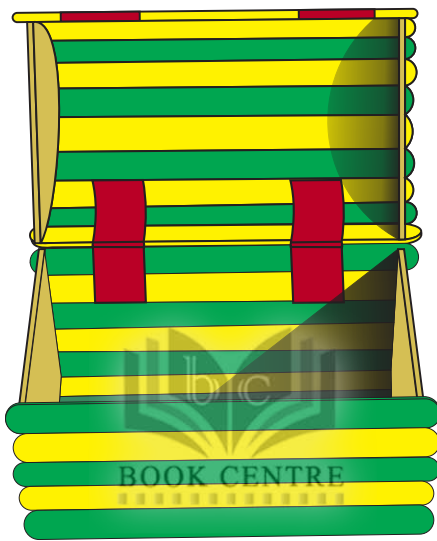

Paste the extra ribbon on the side of the box with the help of glue. Now your cover will open and close.

11

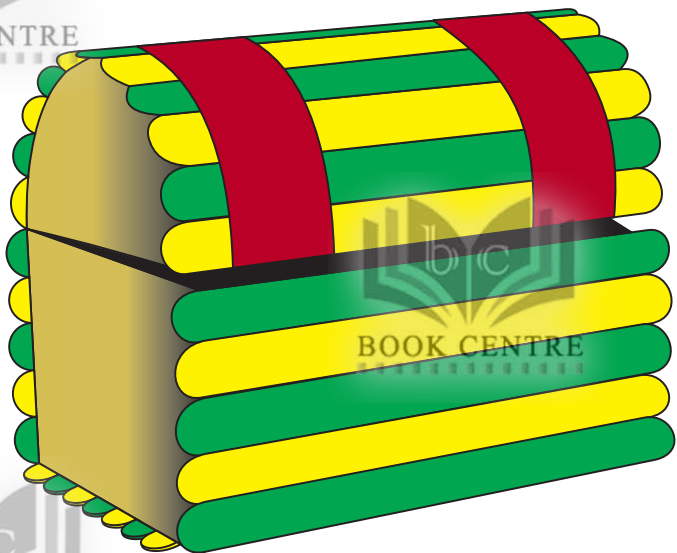

Cut two pieces of ribbon and paste them inside of the box as shown. These will help to open and close the box.

It will look like this.

13

Decorate it to your liking. Your treasure chest is ready to save you treasure.
